REMINDER

Deadline for any changes to your crop insurance policy is, Tuesday, March 15th, 2022

- Prices announced March 1st are currently running \$5.86 for Dec Corn & \$14.26 for Nov Soybeans.
- As always, options are available to break down your farming practice to custom fit your needs:
 1. Enterprise Units by Crop
 2. Enterprise Unit by Irrigating Practice
- Top plans to fill gaps in your MPCCI coverage:
 1. ECO-Enhanced Coverage Option
 2. SCO-Supplemental Coverage Option
 3. Revenue Boost
 4. Revenue Max
- Replant Option:
 - Flat statewide rate of \$1.00 per acre for both corn and soybeans.
 - Pays \$75 per acre, first acre coverage (no 20 acre/20% rule like with multi-peril.)
- Early Replant Option:
 - Coverage starts 2 weeks prior to the early plant date.
 - **MUST** purchase Replant Option
 - Cost is \$0.30 per acre
- Due to the substantial increase in Spring Prices, you will see a substantial increase in value associated with the level of coverage, depending on your crop rotation.
 - The rating and prices of ALL Multi-Peril policies are the same as set by the government.
- Crop Hail, Wind & Extra Harvest Expense vary between companies.
 - CRS Wind expires November 1st.
 - 3% Cash Discount when paid by August 30th.
 - Fall Pay-Billed October 1st, due October 30th.
- Build a Bundle (New for 2022-In Iowa) with CRS:
 - Corn – Purchase Crop Hail **PLUS** 3 or more endorsements, receive a 10% discount on endorsements.
 - Soybeans-Purchase Crop Hail **PLUS** 2 or more endorsements, receive a 10% discount on endorsements.
- **REMINDERS:**
 - If you sign crop insurance paperwork for anyone other than yourself, we need to have a copy of your POA form from FSA on file.
 - Any crop sold, **needs** to be in the same name as the policy holder of the crop insurance application.

We are happy to be writing Crop Risk Services (CRS) and Hudson again this year. They were good to our customers and good to get along with. The crop hail, wind & extra harvest rates are the best in our radius.
